Miss Minnie E. Chipman, director of the art department and lecturer on art history at Acadia Seminary, was a passenger arriving on the Alameda. Miss Chipman is taking a year's leave of absence from her work in the East and, although familiar with the art and scenic beauty of Europe, has yielded to the natural attractions of Hawaii for the artist. She is visiting her sister, Mrs. J. Edgar Higgins, and will spend the year in art work.

After long years of absence, Miss Anna Henck, daughter of the late T. C. Henck, returned from Germany by the S. S. Mongolia to her native land. She is staying with her sister, Mrs. J. J. Lecker.

A large number of younger Honoluluans, who have been attending the mainland colleges and universities, returned home for their vacations last week, the incoming steamers being filled with local passengers. In honor of these young folk a large number of affairs are being planned.

J. R. Galt entertained at luncheon on Thursday for Ambassador O'Brien and W. Cameron Forbes, Philippine Commissioner, who were through passengers on the Korea. In the party were Governor Frear and Albert F. Judd.

Mrs. J. B. Atherton and Miss Kate Atherton, who have been touring Japan, returned home on Wednesday on the Korea. The same vessel brought George Brown and Allison Jordan from the Orient.

The health of the Princess Kawanaokoa has greatly improved during the past few days and she has been able to receive a number of visitors.

Among the Alameda passengers on Wednesday were Mr. and Mrs. W. A. Bowen.

Mrs. C. B. Wood and daughter, who have been spending the past two years in Europe, returned to Honolulu last week.

Mrs. Joe Cohen gave a theater party at the Orpheum last Thursday evening in honor of Mrs. George and daughter, supper being served for them later at the Union Grill. Those present were Mr. Frank Edwards, Mr. Maurice Bleau, Miss Rosina Green, Dr. McDonald, Mrs. J. H. George and Miss Ruby George.

F. H. Poole, a leading real estate dealer in San Pedro, gave up business for three months and signed as mate on the yacht Lurline, the San Pedro representative in the Transpacific yacht race, which will finish here most probably this week. Mr. Poole is an old-time yachting expert, and his services had been sought by Commodore Sinclair, owner of the winner of the first transpacific race in 1906.

Mrs. Arthur Wood, who has been spending the summer with friends, returns to Berkeley on the Siberia, on July 17th. Mr. Wood is expected on the Lurline this week and will return to the Coast with his wife.

Miss Madge McCandless, of Honolulu, who has been visiting Mrs. Dennis O'Brien will leave today for Deer Park. —Parkersburg (W. Va.) Dispatch-News, June 23.

Theater parties are already being planned for the Kiloheana Art League plays to be given just after fleet week. The ladies and gentlemen who have consented to appear before the footlights for the Art League are devoting much time to rehearsals, and the coming event promises to prove no exception to the rule that the Art League performers always have large and enthusiastic audiences to greet them.

"Second Thoughts" and "Lady Fortune" are both splendid plays.

A very enjoyable dinner was given last Friday at the home of Mrs. Louis Abrams in honor of Mrs. J. H. George and daughter, who have been extensively entertained during their short sojourn here. The guests were Mrs. J. H. George, Miss Ruby George, Mr. Roscoe Perkins and Mr. Clarence Macfarlane.

Miss Violet Damon will leave this week for the mainland, where she will visit friends for some months.

The Honolulu visitors in Kahului on Saturday evening of last week were entertained at a hop in their honor given by Manager Ferdinand Hons and Mrs. Hons. The affair was a very enjoyable one.

Admiral Sperry, the commander of

the Atlantic fleet, will be the guest of honor at a box party at the Opera House at "The Man of the Hour" performance. Governor Frear will be the host.

A very pretty wedding was solemnized last evening at the home of Mr. and Mrs. T. P. Harris on Anapuni street, the contracting parties being Walter Victor Kolb and Miss Katherine Hannestad. At eight o'clock, to the strains of the wedding march, the bridal couple took their places in the alcove of the lanai, which was beautifully decorated with green and white flowers and American and Hawaiian flags, where Rev. A. C. McKeever, of the Christian church, performed the impressive ceremony which made them one.

The bride's dress was of white pina silk daintily trimmed in satin and lace and she carried a bouquet of white roses. There were about fifty guests present. The wedded couple were the recipients of many handsome presents. A buffet supper was served, after which the young couple departed for Wahiawa, where they will spend a short vacation, then return to their home on Anapuni street.

Mrs. Fred Ralsch and her daughter, Phoebe, have recently arrived at Yokohama on a tour of the Orient. They will visit China and Manila and on their way home will stop at Honolulu, where they will be the guests of Mr. C. S. Desky and Miss Desky.

Judge and Mrs. Cooper gave a delightful dance at their Moana home on Friday night in honor of their son Wallace, home from college. The beautiful rooms were decorated with wisteria and asparagus ferns, while roses, carnations and Shasta daisies were used with artistic effect in the large court. Miss Alice Cooper assisted her mother in receiving. Among those present were Misses Spalding (2), Miss Lucas, Miss McCarriston, Miss Langton, Misses Catton (2), Miss Swamy, Miss Girdler, Misses Winter (2), Miss Townsend, Miss Carden, Miss Pratt, Miss Damon, Miss Hopper, Miss Restarick, Miss Girvin, Miss Waterhouse, Miss Fisher, Misses Wadman, Miss Hedemann, Misses Bland (2), Misses Craig, Miss Kennedy, Miss Wight, Miss Morgan, Miss Davis, Miss Jones, Miss Heuser, Miss Roth; Messrs. Young, Lowrey, Renton (2), McCarriston (2), Warren (2), Mitchell, Ryeroft, Carden, Jordan, Hedemann (2), Kennedy (2), W. L. Miss Allan and Miss Greenhorne, who arrived here recently from Scotland, were entertained at tea on Wednesday at Ainalau by Governor Cleghorn, to whom they brought letters of introduction. Among the guests asked to meet them were Mrs. F. M. Swamy, Mrs. F. H. Humphris, Mrs. Southerland, the Misses Southerland, Mrs. Hawes Jr.

Miss Lilian Robertson has cards out for an at home on Wednesday in honor of her sister, Grace, who has recently returned from California.

Mrs. C. H. Jennings, of Koolau, Kauai, who has been seriously ill, is now convalescent.

SHOW OF UNIFORMS AT MAN OF THE HOUR

The prospects are that the three performances which will be given of the "Man of the Hour," while the fleet is in port, will be attended by large audiences. The society people of the city who failed to see the play when it was first produced are coming forward in good shape and making reservations for parties who will attend the shows at the Opera House after the many dinners which will be given in honor of the officers of the fleet.

The show is sure to be a success from a dramatic standpoint, as is shown in the two performances which were given a month ago. The company at that time put on what was said by many to be the best amateur performance which had ever been seen in the city and the many rehearsals which have taken place since have done their part to make a decided improvement over the first efforts.

The officers of the fleet will be present in large numbers. It has been arranged that all the boxes shall be reserved for them to give out as they desire. Governor Frear has signified his intention to be present at one of the performances and will probably have Admiral Sperry as his guest. The junior rear admirals of the fleet will both be tendered boxes for such nights as they may choose and the other officers will be provided for with care. With the brilliant show of uniforms, the Opera House should present an attractive appearance when the "Man of the Hour" rules.

The seats are on sale at Wall, Nichols and the prices have been brought down to 75, 50 and 25 cents for the performances while the fleet is here.

COMEDY AND DRAMA FOR ORPHEUM WEEK

Lack of novelty will not be a fault in the coming week's offering at the Orpheum. Managers Cohen and Lumley have provided local play-goers with two great plays, the first half of the week being devoted to comedy and the

MISS HOPE MOSHER.

latter half to the drama; both plays requiring the entire strength of the company.

It is acknowledged that the Lumley company is the peer of all similar attractions brought to Honolulu. Practical experience counts in theatricals as well as in all walks of life and it is this that has enabled Cohen and Lumley to successfully select the company now playing at the Orpheum.

For the first half of the week beginning Monday evening, George Broadhurst's famous comedy, "Why Smith Left Home," will be on the boards, while for the second half of the week, beginning Thursday, Augustus Thomas' great American military play, "Arizona" will be produced.

Careful attention to scenic detail will mark both productions as well as accuracy in costuming. Both plays are top-notchers and a better selection could not be made for fleet week.

On Tuesday and Friday evenings as an added attraction, Madame Blanche Arral, the wonderful song-bird, will give twenty-five minutes of operatic and popular selections.

Crowded houses ought to rule during the week and as there is already a big demand especially for Tuesday and Friday, the nights on which Madame Arral sings, it would be wise to book in advance.

MASCOT TO BE SUNG DURING FLEET WEEK

While everybody just at this time is bustle and bustle, getting in line all the good things to entertain the boys of Uncle Sam's big fleet, the entertainment committee is to be congratulated in having on its program a reproduction of Honolulu's greatest amateur effort in the light and breezy opera "Mascot." Nothing will appeal to our visitors more than music, and well-rendered as the above production was, it is safe to say "The Mascot" is assured crowded houses.

Everything that could be put to make the show one of a professional critic's idea, has been put, till now "The Mascot" is ready for the most nifty of critics.

Mrs. Lawrence Crook as Bettina the Mascot, will appear in the character assumed during the first production, and in which it may be said she scored immense success. She will be ably supported by Messrs. Hugo Herzer, Sonny Cunha, M. H. Webb and James D. Dougherty.

Of the principals, little need be said, as the music loving people of Honolulu, well known their merit. The choruses, both male and otherwise, have been working hard these last three weeks to put them far ahead of all expectations, the greater part of the same being composed of new people.

It is very seldom that Honolulu has an opportunity to see our hundred people staged, and in "The Mascot" an effort will be made to use every available corner of the Opera House platform.
